MENTORING at Newman

Experienced students who have 'been there, done that' supporting others in their higher education journey.

WELCOME MENTORS

Knowing the challenges of starting University level study, Welcome Mentors help new students build connections and friendships across the first year.

IT MENTORS

As regular users of Mahara, Moodle, Email, Word, Excel and more, IT Mentors offer students guidance and tips on any aspect of IT.

PEER TO PEER MENTORS

Peer mentors support new students with settling into university life; providing general or specific programme advice, they help enable the realisation of potential.

PEER TO PEER BAME MENTORS

These mentors provide individual or small group support specifically to BAME students.

WRITING MENTORS

Offering tips on how to improve your academic work, Writing Mentors are students identified as excellent writers and help others develop their writing skills.
